United States' Motion to Unseal Exhibit 6 Used in the Detention Hearing

The United States respectfully requests that the Court unseal Exhibit 6 used in the January 13, 2023 detention hearing. At the time of the hearing, due to the size of the document, the United States had not had an opportunity to review the document in depth to identify whether it contained the identity of the subjects of law enforcement investigations or other sensitive information that should be placed under seal. The Court permitted the United States to file Exhibit 6 under seal temporarily. After review of Exhibit 6, the United States submits that it does not need to be placed under seal. The defendant's counsel has had an opportunity to review Exhibit 6 and does not object to this motion. As a result, the United States respectfully requests that Exhibit 6 to the January 13, 2023 detention hearing be unsealed.

Respectfully submitted,

Jessica Aber
United States Attorney
